Liz – Here is a summary of the last ARSG monthly meeting in November. There wasn't a meeting in December. Lets get together either Thursday or early next week to talk about UA (Upper Animas River Watershed).

Subject: ARSG Meeting Notes and Next Meeting

Dear Stakeholders – Happy New Year. We are beginning the 21st year of ARSG's existence.

Attached are the meeting notes from the technical workgroup meeting we held in November in Durango. Also attached are two spreadsheets that were discussed at that meeting.

Our next meeting will be the fourth Tuesday of the month, January 27th in Silverton in the afternoon. We will provide an agenda and more details later in the month.
